Dedication . . .

For the past twenty-five years, Miss Dorothy Reed has had the experience, possibility, and pleasure of reaching the minds of the finest students who have passed through Maryville High School. She has prepared students for later life by setting a pattern of achievement that expects the most from each student, thoroughly realizing that it is her responsibility in a contemporary world which has its roots in the classics. Miss Reed is a teacher who is totally dedicated to shaping the minds of young people. No one can comprehend the lasting effects that the results of her teaching have had on Maryville High School students.

To Miss Dorothy Reed the Senior Class dedicates the 1968 APPALACHIAN.

. . . Foreword . . .

MOMENTS TO REMEMBER. . . . . .

They begin the first day we enter the halls of M.H.S. as sophomores, completely confused and bewildered. Once into the routine of school the moments we best remember begin to happen.

On Friday nights we find ourselves involved in a football or basketball game, according to the season. We become elated when the team is in high spirits and when the team is down, we are down too. Lost in the crowd we find ourselves deafened by the roar of fellow students and adults cheering for our team. Then there is the last ten seconds..victory..or defeat.

We work as a class on floats, on decorating for proms and twirp dances. With dedication we work at all our activities; be they football, cheerleading, public speaking, acting, or expressing our musical and artistic talents.

There are our personal moments of defeat and victory. The moment one girl is crowned homecoming queen; or a boy is elected captain of the football team.

The honor which is bestowed upon a boy when he is asked to join the Key Club and the personal knowledge that one is intelligent and strives to make grades to be proud of. There are our moments of defeat when we lose a contest or miss the honor roll by one C+.

There are our moments of happiness when we pass the exam we knew we would fail. A girl's happiness when she is finally asked to the prom. The happiness of not having any homework and the pleasure of knowing that we have done all and more of what is expected of us by our teachers.

We find the ever-watchful eye of our Principal as he stops us to exchange a kind word or give us a bit of encouragement. We remember our teachers who strive to teach us the things we need to know.

At the end of each year we can each look back on all the good, bad, ridiculous and embarassing things we have done or been through. After looking back, we can then look ahead to the year to come, wondering what is in store for us.

As seniors, we look back on the past three years and wonder where they have gone to, and what we will be doing in the years to come.

The three years at Maryville High School pass relatively fast and these three years contain our MOMENTS TO REMEMBER.

What are our moments to remember?
They are a mixture of sight, sound,
place, time, and feeling. They are . . .

Key Club

The Maryville Kiwanis Club and M.H.S. work jointly to sponsor the Maryville High School Key Club. A service organization whose purpose is to serve the school and community, the Key Club has been involved in many activities. Among these have been collecting for the March of Dimes, attending church, raking lawns, painting the bleachers, selling season football tickets, and attending the district convention at Lexington, Kentucky. For the second year, the Key Club has selected two Key Club Sweethearts. This year they are Misses Pat Christofferson and Judy White.

Choir

Choir members rehearse for All-State tryouts.

The Maryville High School Choir, directed by Mrs. Robert Clark and Mr. Robert E. Bilbrey, has been very busy again this year. On its calendar have been the East Tennessee Vocal Festival, special music for various civic clubs of the community throughout the year, and for M.H.S. Baccalaureate services. In addition, the choir has sent select members to the East Tennessee Educational Association meeting and to the All-State Choir.

Student Council

This year Maryville High School's Student Council has been involved in many activities which have taken much work on the parts of the Sophomore, Junior and Senior members. Among the activities the Student Council has sponsored have been the Homecoming Parade and half-time activities and two student buses to away games. They've worked hard cleaning up the courtyard and running a very successful bookstore.

Much work has been done this year in the Thespian Club toward improving stage facilities and prop room. Under the guidance of Mrs. Pemberton, the Thespians have presented The Mystery of Mouldy Manor and It's Cold in Them Thar Hills, which was open to any M.H.S. student who desired to participate.

American Field Service

Working to attain international understanding through the exchange of other high school students with those of other nations, the American Field Service has continued as one of M.H.S.'s most active organizations. In accordance with this goal, the M.H.S. chapter sent Mary Lee Miser, our third representative, to Germany last year to live with a German family for the summer. It has been our privilege this year to have Begona Macaya, an exchange student from Spain, as our sixth representative. For 1968 M.H.S. has two hopeful candidates for the A.F.S. Summer Program, Kathy Heron and Ann Downey.

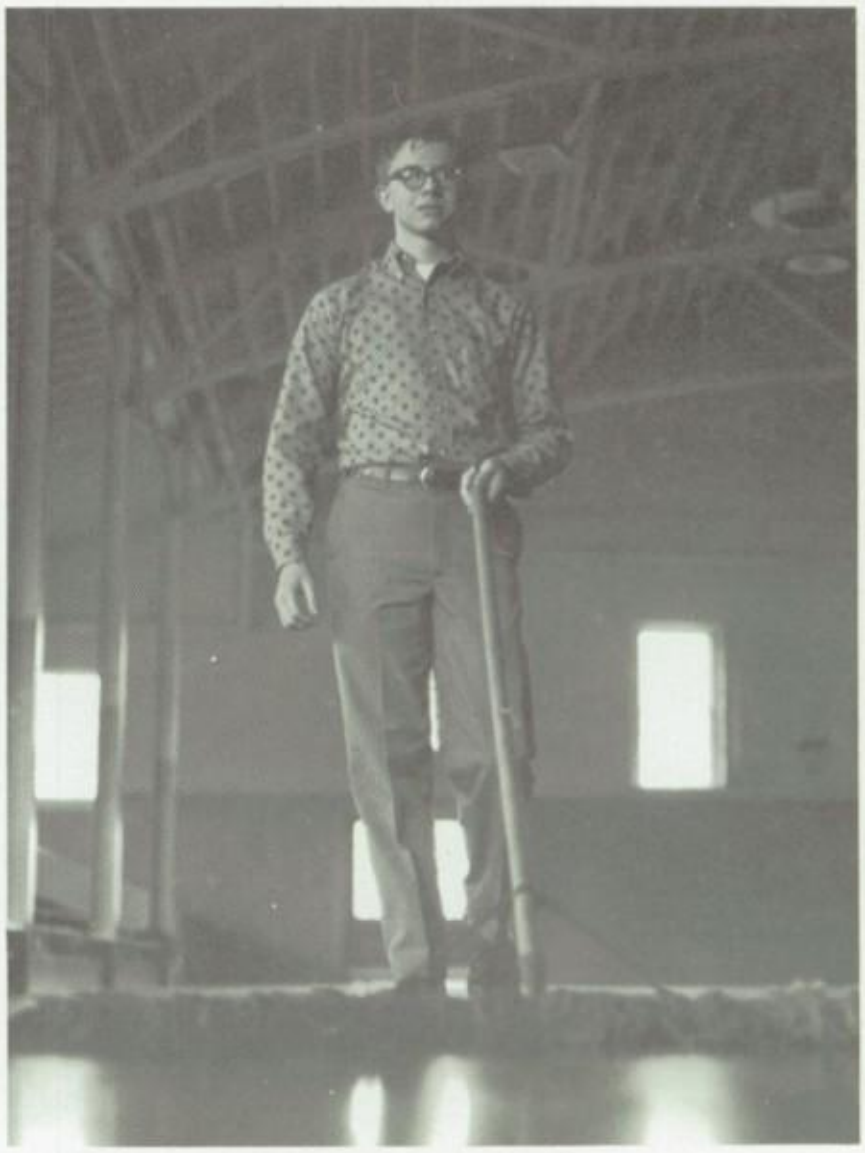
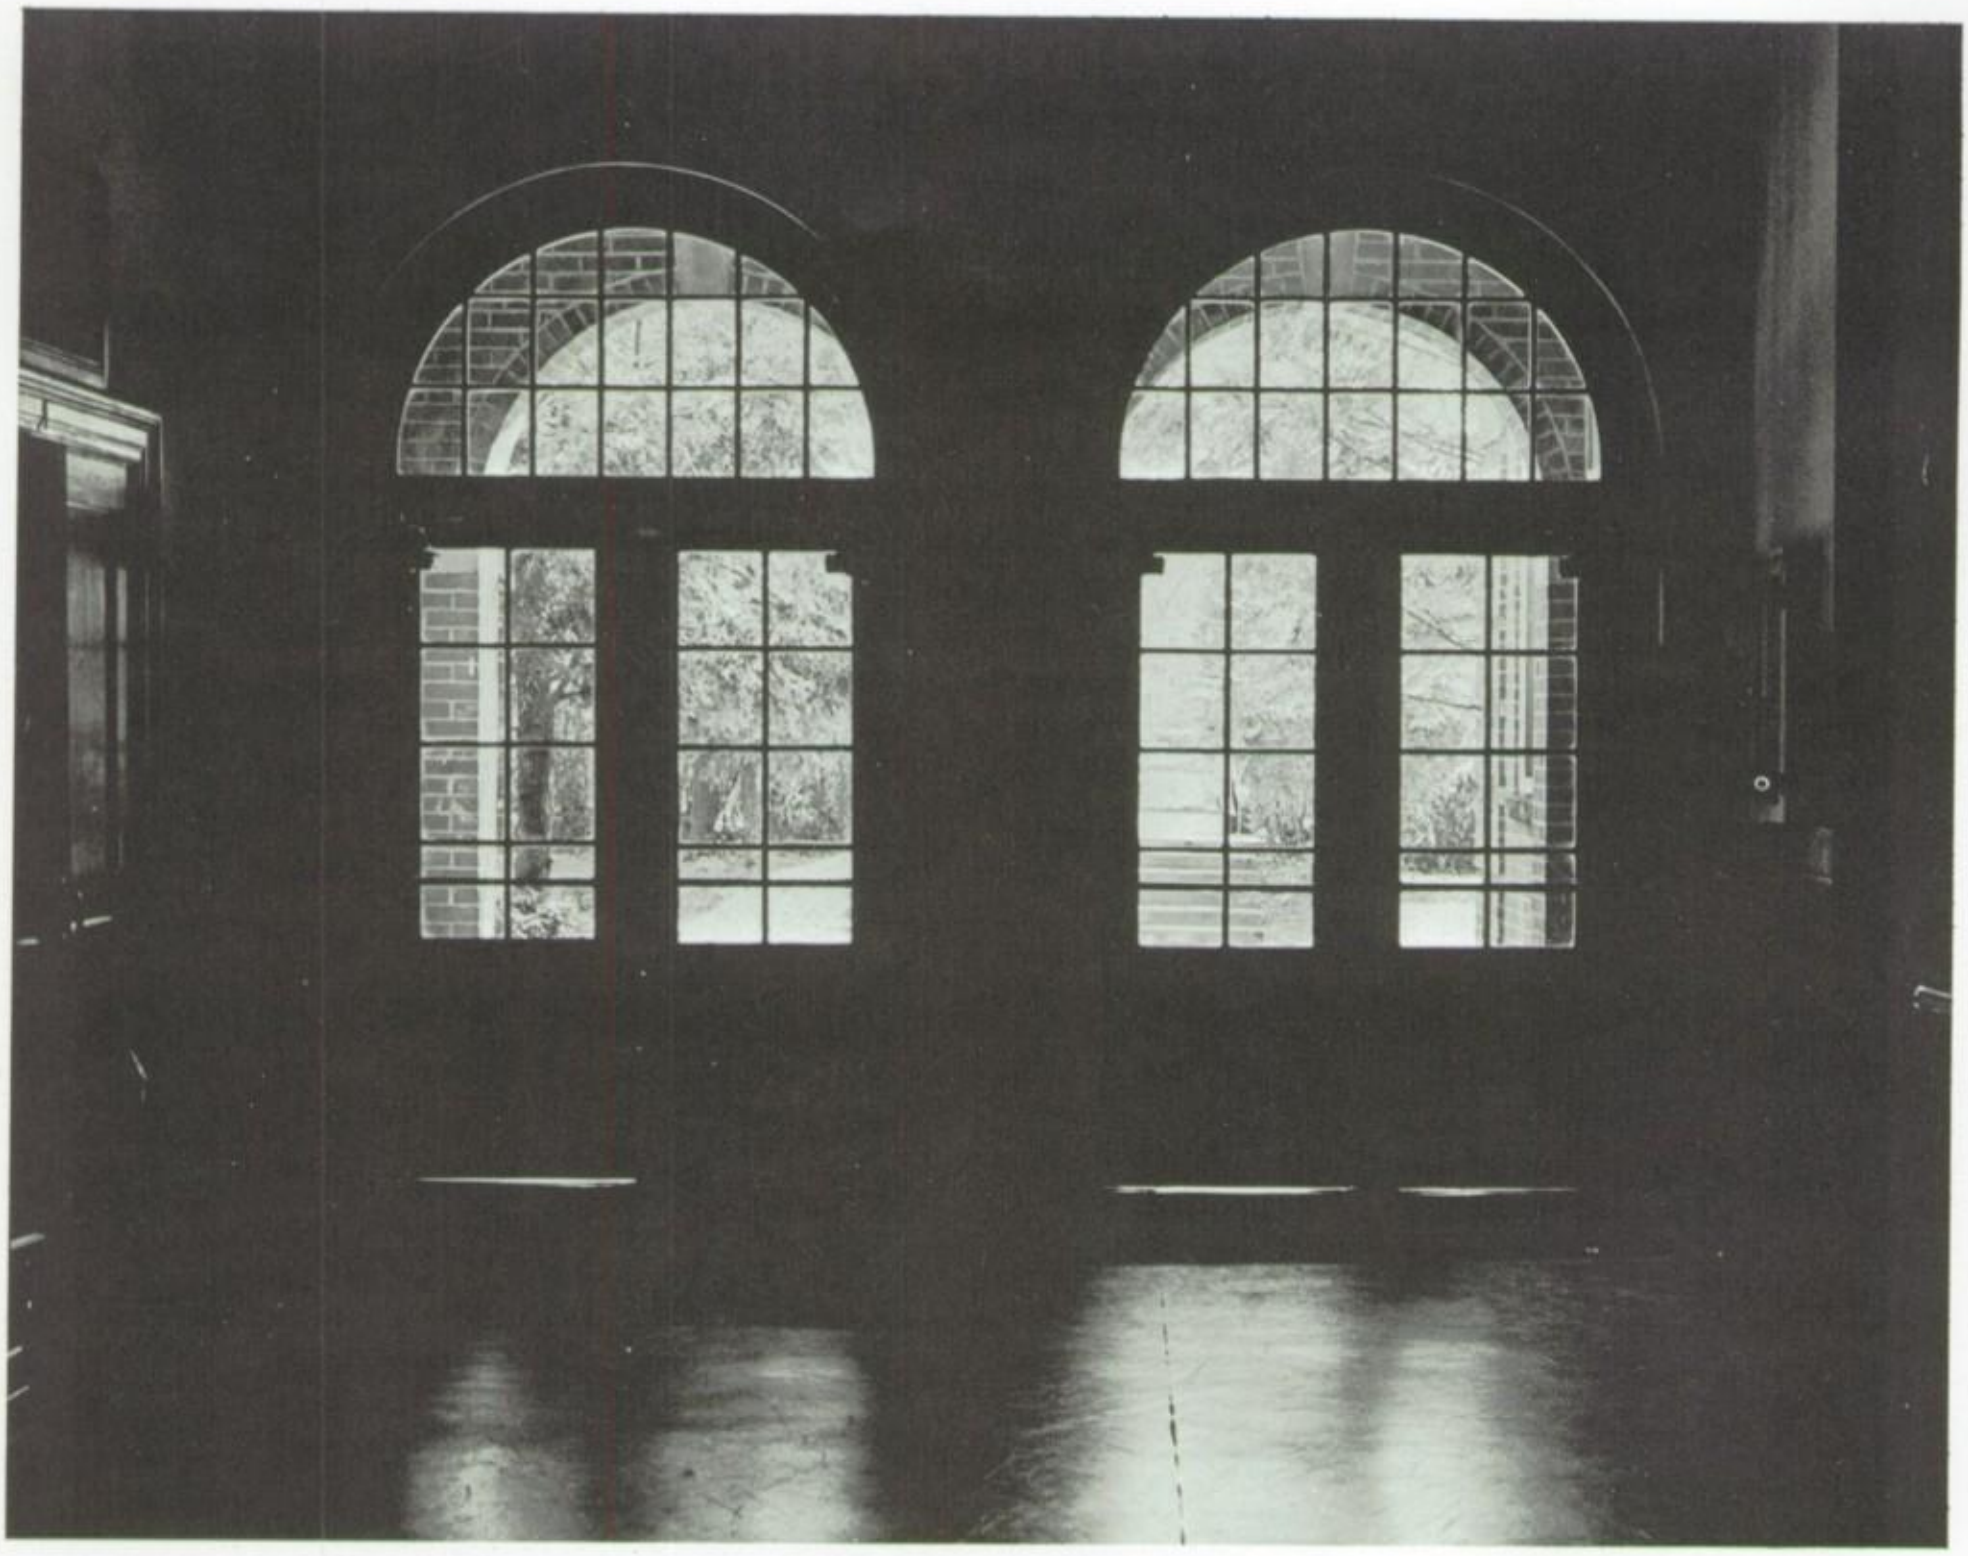
Every litter bit hurts!



It's a dirty world.



This is not the end. It is not even the beginning of the end. But it is, perhaps, the end of the beginning.

In Appreciation . . .

I would like to extend my sincere thanks to the following persons who have worked to make this yearbook possible:

Mr. Pitts for his time and patience in sponsoring this Applachian.
Mr. Roy Roberts for his time and co-operation.
Mr. Tom Graham and Mr. Marvin Dockery for their photographic work.
The faculty and students of MHS for their tolerance and co-operation.
Mike Dunn, Steve Simpson and Leonard Lindsay for their excellent photographic work.
And most of all, the Editorial, Business, and Circulation Staffs for their dedicated and tireless efforts to make this Appalachian one to be proud of for years to come.

The Editor

On behalf of the Appalachian staff and the students of Maryville High School, we would like to pay tribute to Mr. Walter M. Williams. During his nine years as principal of Maryville High School, Mr. Williams has tirelessly given of himself to the school and to its faculty and students. Students find him always willing to help them with school projects. His faith in Maryville High School and his devotion to the school prove that Mr. Williams has just as much school spirit as do the students. He is firm, but patient and understanding; a remarkable person. Mr. Williams has helped in every way possible to make Maryville High School what it is today.
